A17  
LITTLE SUMMIT BUDGET (450)  
BY ARTHUR GAVSHON

LONDON, NOV. 2 (AP)—BRITAIN TODAY WAS REPORTED WEIGHING AN IDEA FOR A LITTLE SUMMIT CONFERENCE OF EUROPEAN ALLIES.

PRIME MINISTER MACMILLAN IS TAKING THE LEAD TO HALT DEEPENING POLITICAL RIVALRIES INSIDE AND OUTSIDE THE NORTH ATLANTIC ALLIANCE AND TO STAVE OFF A THREATENED TRADE WAR IN EUROPE.

INFORMED DIPLOMATS SAID HE IS QUIETLY SOUNDING OUT THE PROSPECTS OF A ROUND-TABLE MEETING WITH FRENCH PREMIER CHARLES DE GAULLE AND WEST GERMAN CHANCELLOR KONRAD ADENAUER. OTHER CONTINENTAL STATESMEN MIGHT BE INVITED TO SIT IN.

GEN. DE GAULLE IS THE KEY FIGURE OF THE EUROPEAN SITUATION IN THE VIEW OF BRITISH AUTHORITIES. THE FRENCH LEADER'S DYNAMIC BID TO RESTORE FRENCH POWER AND INFLUENCE IN THE WORLD HAS RUFFLED SOME ALLIED NATIONS.

CHANCELLOR ADENAUER DISLIKES A SECRET DE GAULLE PLAN TO ASSURE FRANCE A SEAT IN AN AMERICAN-BRITISH-FRENCH TRINITY WHICH WOULD DIRECT POLITICAL STRATEGY ON A GLOBAL SCALE.

ITALY AND THE LOW COUNTRIES ARE LESS THAN ENTHUSIASTIC ABOUT THE FRENCH PREMIER'S MOVE TO ASSUME LEADERSHIP OF EUROPE.

AND BRITAIN HAS BEEN REBUFFED BY HIM ON HER PET PROJECT FOR A FREE TRADE AREA (FTA).

BRITAIN DREAMED UP THE FTA PROJECT AS ANSWER TO THE "LITTLE SIX" EUROPEAN COMMON MARKET. THE LITTLE SIX--FRANCE, WEST GERMANY, ITALY, BELGIUM, HOLLAND, LUXEMBOURG--BEGIN JAN. 1 TO SWEEP AWAY THEIR TARIFFS.

FTA WOULD EXTEND THE ARRANGEMENT--WITH SOME LIMITS--TO COVER THE GOODS OF SOME OTHER EUROPEAN STATES, HER COLONIES AND HOME ISLANDS AND SOME COMMONWEALTH COUNTRIES.

INFORMANTS SAID THE SUGGESTION BEFORE THE MACMILLAN GOVERNMENT FOR SOME SORT OF SUMMIT MEETING HAS BEEN GIVEN NEW URGENCY BY TWO RECENT DEVELOPMENTS:

1. FRANCE HAS DASHED BRITISH HOPES OF GETTING FTA INTO BUSINESS BY NEW YEAR'S DAY. A TURNDOWN COULD LEAD TO A TRADE WAR IN NON-COMMUNIST EUROPE, WITH OUTSIDE NATIONS UNABLE TO COMPETE IN THE MARKETS OF THE LITTLE SIX BECAUSE OF THEIR HIGH COMMON EXTERNAL TARIFF WALL.

2. IN THE LAST FEW MONTHS DE GAULLE HAS BEEN WRITING DIRECTLY TO PRESIDENT EISENHOWER, MACMILLAN AND A FEW OTHER ALLIED LEADERS ELABORATING HIS CLAIMS FOR A SHARE IN GLOBAL POLICY MAKING. INFORMED FRENCHMEN SAY FRANKLY THIS WAS DE GAULLE'S WAY OF PROTESTING AGAINST WHAT HE THINKS IS "ANGLO-AMERICAN DIRECTION" OF ALLIED POLICY.

FIELD MARSHAL LORD MONTGOMERY, WHO RECENTLY RETIRED AS DEPUTY COMMANDER OF ALLIED FORCES IN EUROPE, BROUGHT OUT IN THE OPEN LAST WEEK JEALOUSIES, LOBBYING, STRAINS AND STRESSES HE COMPLAINED WERE UNDERMINING THE ATLANTIC ALLIANCE.

PRIME MINISTER MACMILLAN IS A BELIEVER IN FRANK MAN-TO-MAN TALKS TO SETTLE DIFFERENCES THAT SOMETIMES ARISE BETWEEN FRIENDS. MACMILLAN INFORMALLY HAS SENT WORD TO DE GAULLE THAT HE WOULD WELCOME A VISIT TO LONDON AS SOON AS POSSIBLE TO REPAY HIS OWN VISIT TO PARIS SOME MONTHS AGO.

DE GAULLE THUS FAR HAS NOT TAKEN UP THE OFFER.  
IF MACMILLAN DOES DECIDE TO PUSH THE IDEA OF A EUROPEAN SUMMIT MEETING, DE GAULLE WOULD FIND IT DIFFICULT TO REFUSE, ESPECIALLY IF PARIS WAS PROPOSED AS THE MEETING PLACE.

A6  
LONDON, NOV. 2 (AP)—BRITAIN'S FORMER LABORITE PRIME MINISTER, CLEMENT ATTLEE, TODAY SUMMED UP FIELD MARSHAL MONTGOMERY'S MEMOIRS AS "A FAIR BOOK" BY "A CHAP WHO PUTS HIS FOOT IN IT FROM TIME TO TIME."  
"IT IS A BIG BOOK," WROTE ATTLEE--NOW AN EARL--IN AN ASSESSMENT IN THE LONDON SUNDAY OBSERVER. "IF IT IS NOT ALWAYS ACCURATE AND NOT ALWAYS JUDICIOUS IT IS ALWAYS STIRRING AND SINCERE, AS ITS AUTHOR ALWAYS IS."  
QR1207PES

A7  
LONDON, NOV. 2 (AP)—CHAIRMAN JOHN MCCONE OF THE U.S. ATOMIC ENERGY COMMISSION SAID TODAY THE RADIOACTIVITY INCREASE OVER LOS ANGELES LAST WEEK DID NO HARM.  
MCCONE ARRIVED HERE TO STUDY BRITAIN'S NUCLEAR POWER PLANTS. HE SUMMED UP THE LOS ANGELES SCARE THIS WAY:  
"WE HAD A SHOT IN NEVADA, WHICH IS NORTHEAST OF LOS ANGELES. THE PREVAILING WIND CARRIED A RADIOACTIVE CLOUD. WE REGRET THIS VERY MUCH BECAUSE WE DO NOT LIKE TO SEE ANY INCREASE IN RADIOACTIVITY IN ANY POPULATED AREA."  
"AFTER THE INCIDENT EXHAUSTIVE TESTS WERE MADE OF THE ATMOSPHERE AND IT WAS DETERMINED THAT THE LEVEL OF RADIOACTIVITY WAS COMPARATIVELY SLIGHT AND OF VERY SHORT DURATION."  
"NO HARM WAS DONE, NONE WHATSOEVER."  
QR1209PES

A77  
(160)  
LONDON, NOV. 2 (AP)—A RUSSIAN POLITICAL COMMENTATOR SAID TONIGHT THE UNITED STATES IS HAVING TO THINK SERIOUSLY ABOUT "RETURNING TO THE PATH OF COOPERATION" WITH THE SOVIET UNION.  
"THE UNITED STATES IS UNDOUBTEDLY AGAIN FACING THE NECESSITY OF REAPPRAISING ITS RELATIONS WITH THE SOVIET UNION AS WAS THE CASE 25 TO 30 YEARS AGO," SAID B. ARTEMOV IN A MAGAZINE ARTICLE BROADCAST BY RADIO MOSCOW.

THE ARTICLE WAS PUBLISHED IN THE MONTHLY WORLD ECONOMICS AND INTERNATIONAL RELATIONS TO MARK THE 25TH ANNIVERSARY OF THE ESTABLISHMENT OF DIPLOMATIC RELATIONS BETWEEN THE UNITED STATES AND SOVIET RUSSIA.

ARTEMOV DECLARED PRESENT U.S. FOREIGN POLICY, "BASED ON BLIND HATRED FOR SOCIALISM AND PROGRESS AND ON ALL KINDS OF MYOPIC ILLUSIONS," COULD LEAD TO GLOBAL NUCLEAR WAR.

"THE WHOLE WORLD EXPECTS," HE ADDED, "THE U.S. GOVERNMENT TO RETURN TO THE PATH OF COOPERATION WITH THE U.S.S.R. AS IT DID A QUARTER OF A CENTURY AGO--THE PATH OF CONSOLIDATING AND FURTHER DEVELOPING GOOD-NEIGHBORLY, MUTUALLY ADVANTAGEOUS RELATIONS WITH THE SOVIET UNION."

A94  
FIRST LEAD DANES (A39) (170)  
COPENHAGEN, DENMARK, NOV. 2 (AP)—STRICT PARTY LINE COMMUNISTS FORCED TITOIST CHAIRMAN AKSEL LARSEN TO RESIGN HIS OFFICES TODAY IN THE DANISH COMMUNIST PARTY. KNUD JESPERSEN WAS ELECTED TO SUCCEED HIM.

JESPERSEN, A PROVINCIAL TRADE UNION LEADER, WAS THE ONLY UNION CHIEF TO SIDE WITH THE MOSCOW-LINE GROUP.

THE PARTY'S CENTRAL COMMITTEE ELECTED THE NEW CHAIRMAN AFTER A PARTY CONGRESS OVERWHELMINGLY ADOPTED A RESOLUTION ACCUSING LARSEN OF TRYING TO SWING THE PARTY AWAY FROM KREMLIN-TYPE SOCIALISM.

THE SHOWDOWN CAME AFTER ORTHODOX, MOSCOW-LINE SYMPATHIZERS PRESENTED A NEW PARTY COMMITTEE LIST THAT EXCLUDED 10 KNOWN LARSEN SUPPORTERS. LARSEN THEN ASKED FOR HIS NAME TO BE REMOVED FROM THE LIST AND RESIGNED FROM THE CHAIRMAN POST HE HAS HELD 26 YEARS.

HIS MOVE LEFT HIS 40-YEAR MEMBERSHIP IN THE PARTY IN DOUBT IN VIEW OF THE ATTACK ON HIS POLICIES BY PETER N. POSPELOV, A SECRETARY OF THE SOVIET COMMUNIST PARTY CENTRAL COMMITTEE, WHO CAME HERE AS AN OBSERVER. IT WAS THE FIRST TIME A SOVIET OBSERVER HAS EVER ATTENDED THE DANISH PARTY CONGRESS, A FACT CONSIDERED SIGNIFICANT HERE.

A PARTY SPOKESMAN SAID A REPORT FROM THE CENTRAL COMMITTEE--WHERE LARSEN HAS A MINORITY--WAS ADOPTED BY SOME 200 DELEGATES; WHILE ONLY 12 VOTED AGAINST IT.

CONFIRMING THE PARTY'S SOLIDARITY WITH THE KREMLIN, THE REPORT SAID LARSEN'S VIEWS "HAD OPENED ROADS THAT ARE FALSE AND FOREIGN TO SOCIALISM."

THE REPORT WAS OBVIOUSLY HAMMERED OUT BY HARD CORE PARTY LEADERS WHO HAVE ENGINEERED A DRIVE TO OUST LARSEN FROM THE CHAIRMANSHIP, WHICH HE HAS HELD FOR 26 YEARS.

A RESOLUTION CALLING ON THE RANK-AND-FILE TO STRENGTHEN PARTY UNITY WAS ADOPTED WITH ONLY ONE DISSENT. THE SPOKESMAN SAID THE LONE "NO" VOTER WAS NOT LARSEN.

THE RESOLUTION ALSO SAID "THE ONSLAUGHT AGAINST THE PARTY HAS BEEN REPULSED"--AN OBVIOUS JAB AT LARSEN, WHO HAS CALLED FOR A MORE INDEPENDENT PARTY LINE, WITH A VIEW OF SAVING THE PARTY FROM DISASTER IN FUTURE ELECTIONS.

NUCLEAR (380)

BY TOM OCHILTREE

GENEVA, NOV. 2 (AP)--AMERICAN AND BRITISH DELEGATES TO THE NUCLEAR TEST BAN CONFERENCE DISCUSSED IN A PRIVATE MEETING TODAY HOW TO LINK THE PROBLEM OF TEST SUSPENSIONS WITH THE NEED FOR GENERAL DISARMAMENT.

THEY ALSO WERE UNDERSTOOD TO HAVE STUDIED A SOVIET DRAFT PROPOSING A THREE-POWER AGREEMENT TO SUSPEND ATOMIC AND HYDROGEN WEAPONS TESTS IMMEDIATELY ON THE BASIS OF A SCIENTIFIC REPORT THAT SUCH A BAN CAN BE POLICED.

WHILE THE WESTERN REPRESENTATIVES WERE COORDINATING THEIR POSITION, THE SOVIET DELEGATION MET IN PREPARATION FOR THE NEXT CONFERENCE SESSION TOMORROW.

BY AGREEMENT THE THREE DELEGATIONS WERE KEEPING A STRICT NEWS BLACKOUT ON ALL DEVELOPMENTS. DELEGATION SOURCES SAID IT WAS ASSUMED SUCH A PROCEDURE WOULD ALLOW THE THREE NATIONS MORE ROOM TO MANEUVER.

IT BECAME CLEAR, HOWEVER, THAT ONE POLITICAL QUESTION OVERSHADOWED ALL THE OTHER PROBLEMS IN THE TALKS HERE: CAN A PERMANENT TEST SUSPENSION BE UNDERTAKEN AS AN ISOLATED ACTION OR SHOULD IT BE TIED TO THE BROADER, MORE DIFFICULT PROBLEM OF REDUCING ARMAMENTS?

U.S. AMBASSADOR JAMES J. WADSWORTH, HEAD OF THE AMERICAN DELEGATION, STRESSED THAT A BANNING OF NUCLEAR TESTS WOULD NOT, OF ITSELF, CONSTITUTE A LIMITATION OF ARMAMENTS.

IN THE WESTERN VIEW SUCH AN ALL TIME BAN WOULD ONLY HAVE REAL MEANING FOR PEACE IF THE PROHIBITION WAS LINKED WITH PROGRESS TOWARD REDUCTION OF BOTH CONVENTIONAL AND NUCLEAR WEAPONS.

THE RUSSIANS, WITH THEIR GREAT PREPONDERANCE IN CONVENTIONAL ARMS, KEEP INSISTING THE QUESTION OF TEST TERMINATIONS MUST BE CONSIDERED AS AN ISOLATED ISSUE.

ALTHOUGH THE CONFERENCE IS ONLY IN ITS EARLY STAGE, COMMUNIST SOURCES ABROAD ALREADY HAVE BEGUN ATTACKS ON THE SINCERITY OF THE AMERICAN AND BRITISH DELEGATIONS--THRUSTS WHICH THE WESTERNERS HAVE IGNORED.

A MOSCOW RADIO COMMENTATOR SAID THE AMERICANS AND BRITISH DID NOT GO TO GENEVA "WITH OPEN MINDS AND HONEST INTENTIONS."

HE SAID WESTERN SPOKESMEN MADE IT CLEAR ALL THE UNITED STATES AND BRITAIN WANTED TO GET OUT OF GENEVA WAS A TEMPORARY SUSPENSION OF THE TESTS.

AS THE RECORD NOW STANDS ALL THREE POWERS GENERALLY ACCEPT THE FINDINGS OF EASTERN AND WESTERN SCIENTISTS THAT IT IS POSSIBLE TO POLICE A BAN ON NUCLEAR TESTS THROUGH THE ESTABLISHMENT OF AN INTERNATIONAL CONTROL ORGANIZATION. THE SCIENTISTS CAME TO THIS CONCLUSION AT A MEETING IN GENEVA LAST SUMMER.

THE PROBLEMS OF THE PRESENT CONFERENCE GO FAR BEYOND THE MERE ACCEPTANCE IN PRINCIPLE OF THE SCIENTIFIC REPORT, THE WESTERN DELEGATIONS HAVE EXPLAINED. IN PARTICULAR THERE REMAINS THE DIFFICULT POLITICAL PROBLEM OF RELATING A TEST BAN TO GENERAL DISARMAMENT MOVES.

(120)

BERLIN, NOV. 2 (AP)--BISHOP OTTO DIBELIUS, TITULAR HEAD OF GERMANY'S LUTHERAN CHURCH, ASSAILED EAST GERMANY'S COMMUNIST REGIME TODAY ON ITS HOME GROUND -- EAST BERLIN. PREACHING IN THE MARIENKIRCHE, WHICH LIES ONLY A FEW BLOCKS FROM MARX-ENGELS SQUARE, DIBELIUS SAID:

"ONE CAN FIGHT CHRISTIANITY AS MUCH AS ONE WANTS -- THERE ARE HISTORICAL FACTS WHICH ARE BEING PROVEN TRUE OVER AND OVER AGAIN, NO MATTER HOW MUCH ONE TRIES TO DENY THEM."

THIS WAS A REFERENCE TO THE COMMUNISTS' UNENDING EFFORT TO SABOTAGE THE CHURCH IN EAST GERMANY. AT THE END OF HIS SERMON DIBELIUS DECLARED:

"NO MATTER WHAT HAPPENS TO THE EVANGELICAL (LUTHERAN) CHURCH, THE NAME OF JESUS CHRIST WILL NEVER BE ERASED FROM THE LIFE OF THE GERMAN PEOPLE."

DIBELIUS HAS HIS HEADQUARTERS IN WEST BERLIN BUT MAKES A PRACTICE OF PREACHING IN EAST BERLIN ONCE A MONTH.

(120)

BELGRADE, NOV. 2 (AP)--YUGOSLAVIA ASSAILED CZECHOSLOVAKIA TONIGHT FOR "CONSCIOUSLY SPOILING RELATIONS" BETWEEN THE TWO COMMUNIST COUNTRIES.

THE ATTACK CAME IN REPLY TO ARTICLES IN THE CZECHOSLOVAK OFFICIAL COMMUNIST PARTY REVIEW PARTY LIFE, WHICH HAD CRITICIZED THE POLICIES OF YUGOSLAVIA.

POLITIKA, THE YUGOSLAV GOVERNMENT PAPER, DECLARED CZECHOSLOVAK COMMUNIST LEADERS HAVE PLAYED A LEADING ROLE IN THE ANTI-YUGOSLAV CAMPAIGN.

POLITIKA SAID ARTICLES IN THE CZECHOSLOVAK OFFICIAL REVIEW WERE A SIGN OF "A NEW WAVE OF THE ANTI-YUGOSLAV CAMPAIGN IN CZECHOSLOVAKIA, WHICH MEANS A NEW STEP IN THE ATTEMPTS TO CONSCIOUSLY SPOIL RELATIONS BETWEEN YUGOSLAVIA AND CZECHOSLOVAKIA."

THE PAPER SAID YUGOSLAVIA IS ALWAYS READY TO NORMALIZE ITS RELATIONS "ON THE CONDITION THAT THE PRINCIPLE OF NON-INTERFERENCE AND EQUALITY IS ACCEPTED."

(160)

MOSCOW, NOV. 2 (AP)-THE SOVIET GOVERNMENT TODAY MADE PUBLIC A WARNING TO ITALY AGAINST LETTING THE AMERICANS BUILD ROCKET BASES ON ITALIAN TERRITORY.

THE SOVIET NOTE PROTESTED WHAT IT CALLED THE ITALO-AMERICAN AGREEMENT FOR CONSTRUCTION OF AMERICAN BASES FOR JUPITER AND THOR ROCKETS.

THIS PACT, THE NOTE SAID, WILL "SPREAD SERIOUS CONCERN IN ALL COUNTRIES WHICH LOVE PEACE--ESPECIALLY IN NATIONS WITHIN THE RANGE OF THE MEDIUM-RANGE ROCKETS."

THE ITALIAN AMBASSADOR, COUNT LUCA PIETROMARCHI, WAS SUMMONED SATURDAY TO THE FOREIGN MINISTRY AND HANDED THE NOTE. IT SAID THE ITALIAN GOVERNMENT WOULD BEAR FULL RESPONSIBILITY FOR ALL CONSEQUENCES WHICH MIGHT COME FROM THE CONSTRUCTION OF THE AMERICAN ROCKET BASES.

THIS WAS THE SECOND SOVIET NOTE IN TWO DAYS PROTESTING TO A FOREIGN GOVERNMENT OVER LINKS WITH THE UNITED STATES.

ON FRIDAY THE SOVIET GOVERNMENT WARNED IRAN OF WHAT IT CALLED THE DANGERS OF A MILITARY AGREEMENT WITH THE UNITED STATES.

SECOND LEAD CHINESE A158 (170)

TAIPEI, MONDAY, NOV. 3 (AP)-CHINESE COMMUNIST GUNS RESUMED THEIR BOMBARDMENT OF QUEMOY TODAY AFTER BEING SILENT SINCE SATURDAY AFTERNOON.

THE NATIONALIST DEFENSE MINISTRY SAID BY NOON THE SHELLING WAS "FURIOUS" AND THAT QUEMOY'S GUNS RETURNED THE FIRE.

THE RESUMPTION OF RED SHELLING AROUSED SPECULATION THAT THE NATIONALISTS HAD TRIED TO SEND IN A SUPPLY CONVOY ON AN ODD-NUMBERED DAY. THE COMMUNISTS HAD PROMISED TO KEEP THEIR FIRE AWAY FROM LANDING AREAS ON EVEN-NUMBERED DAYS OF THE MONTH BUT SAID THEY WOULD SHOOT AT ANY AND ALL TARGETS ON THE OFFSHORE ISLANDS ON THE OTHER DAYS.

THE NATIONALISTS MOVED THEIR FIRST CONVOY IN TWO WEEKS INTO QUEMOY YESTERDAY. ROUGH SEAS IN THE FORMOSA STRAIT HAD HELD UP SHIPPING. THE WEATHER WAS FINE YESTERDAY AND THE CONVOY WAS SAID TO BE A LARGE ONE.

THE LULL IN FIRING OF ALMOST 38 HOURS WAS THE LONGEST PERIOD OF QUIET IN THE OFFSHORE HOSTILITIES SINCE THE REDS ENDED 15 DAYS OF CEASE-FIRE ON OCT. 20.

THERE WAS SOME BELIEF IN NATIONALIST QUARTERS THAT THE REDS WANTED TO EASE THEIR UNPROFITABLE ARTILLERY OFFENSIVE INTO A DE FACTO CEASE-FIRE WITHOUT PUBLICLY DECLARING ONE AND WITHOUT LOSS OF FACE.

THE WELCOMED LULL, WHICH BEGAN AT 4:20 P.M., SATURDAY, WAS PRECEDED BY FITFUL COMMUNIST SHELLING WHICH DUMPED 203 ROUNDS ON THE QUEMOY COMPLEX IN THE PRECEDING 18 HOURS. EVEN THIS WAS A FAR CRY FROM THE 41,000-ROUND BOMBARDMENT WHICH THUNDEROUSLY REOPENED THE OFFSHORE HOSTILITIES AUG. 23.

INDICATIVE OF THE EASING OF TENSION WAS AN ANNOUNCEMENT THAT REST AND RECREATION FLIGHTS TO HONG KONG FOR U.S. SERVICEMEN WERE BEING RESUMED.

**NUCLEAR TESTS**  
(ADVANCE) WASHINGTON, NOV. 2 (AP)—A PRIVATE STUDY GROUP TODAY RECOMMENDED A TWO-YEAR--INSTEAD OF A ONE-YEAR--SUSPENSION OF NUCLEAR TESTING.

DURING THE TWO YEARS, A NATIONAL PLANNING ASSOCIATION COMMITTEE SUGGESTED IN A STATEMENT, A MONITORING SYSTEM COULD BE SET UP AND TESTED.

THE COMMITTEE SAID AN AGREEMENT TO CEASE NUCLEAR TESTING--NOW BEING DISCUSSED BY THE UNITED STATES, GREAT BRITAIN AND THE SOVIET UNION--INVOLVES MANY PROBLEMS, AND "CANNOT BE SOLVED OVERNIGHT."

"PUBLIC UNDERSTANDING OF THESE NEGOTIATIONS," IT DECLARED, "WILL NOT BE AIDED BY OVER-OPTIMISTIC EXPECTATIONS OF EARLY AGREEMENT NOR BY GLOOMY PREDICTIONS OF FAILURE."

"BUT IT IS DESIRABLE FOR US TO PERSIST IN THE NEGOTIATIONS FOR AS LONG A PERIOD AS IS NECESSARY TO DETERMINE WHETHER OR NOT AN AGREEMENT CONTAINING ALL NECESSARY SAFEGUARDS IS NEGOTIABLE," IT CONTINUED.

"IF THIS PERIOD INCLUDES THE TIME NECESSARY FOR THE INSTALLATION AND PROVING OF A TEST GRID, AS WE BELIEVE IT SHOULD, IT CAN EASILY LAST TWO YEARS."

THE PLANNING ASSOCIATION DESCRIBES ITSELF AS A NON-PROFIT, NON-POLITICAL ORGANIZATION. THE STATEMENT CAME FROM ITS SPECIAL PROJECT COMMITTEE ON SECURITY THROUGH ARMS CONTROL.

**WORLD BANK**

(ADVANCE) WASHINGTON, NOV. 2 (AP)—THE WORLD BANK REPORTED TODAY THAT LOANS MADE DURING THE THREE MONTHS ENDING SEPT. 30 RAISED ITS LOAN TOTAL TO OVER FOUR BILLION DOLLARS.

DURING THE QUARTER, NET INCOME WAS 10 MILLION DOLLARS, AND THE BANK'S TOTAL RESERVES STOOD AT \$365,900,000 (M), THE ANNOUNCEMENT SAID.

THE CUMULATIVE LOAN TOTAL ON SEPT. 30, 1958, AFTER CANCELLATIONS, REFUNDINGS AND EXCHANGE ADJUSTMENTS, WAS THE EQUIVALENT OF \$4,010,200,000 (B).

LOANS MADE DURING THE QUARTER TOTALLED \$292,600,000 (M), THE BANK SAID. THERE WERE FOUR DIFFERENT CREDITS TO JAPAN, TOTALLING 94 MILLION DOLLARS; SUDAN 39 MILLION; INDIAN, TWO CREDITS TOTALLING 110 MILLION; PERU, \$6,600,000 (M); CEYLON, \$7,400,000; AND MALAYA, \$35,600,000 (M).

DURING THE QUARTER, THE ANNOUNCEMENT SAID, DISBURSEMENTS WERE \$135,700,000 (M), BRINGING TOTAL DISBURSEMENTS TO \$2,930,400,000 (B). THE BANK'S CAPITAL AT THE END OF THE QUARTER WAS \$9,521,500,000 (B).

NEW MEMBERS DURING THE THREE MONTH PERIOD WERE SPAIN AND LIBYA, AND EL SALVADOR, HONDURAS, HAITI AND PARAGUAY INCREASED THEIR SUBSCRIPTIONS, THE ANNOUNCEMENT SAID.

(ADVANCE FOR USE AT 6:30 P.M., EASTERN STANDARD TIME, SUNDAY, NOV. 2)

**POWER GADGETS (600)**

BY RENNIE TAYLOR

ASSOCIATED PRESS SCIENCE WRITER

(ADVANCE) LIVERMORE, CALIF., NOV. 2 (AP)—A METAL RING ABOUT THE SIZE OF A HULA HOOP IS ONE OF THIS COUNTRY'S LATEST GADGETS TO HELP USHER IN THE AGE OF THERMONUCLEAR POWER.

A ROOM FULL OF ALTERNATELY STACKED METAL FOIL AND PLASTIC SHEETS IS ANOTHER. THIS ROOM CAN DELIVER AN ELECTRICAL PUNCH RIVALING A FLASH OF LIGHTNING.

THESE WEIRD ARTICLES AND A SERIES OF OTHER IMPOSING LOOKING MACHINES WERE SHOWN FOR THE FIRST TIME LAST WEEK WITH THEIR SECRECY WRAPS OFF WHEN THE FAMED LIVERMORE RADIATION LABORATORY WAS OPENED FOR INSPECTION BY NEWSMEN.

THE LONG AND TIGHT SECRECY VEILING RESEARCH ON FUSION FOR POWER WAS LIFTED SEVERAL MONTHS AGO SO SOME OF THE FACTS COULD BE PRESENTED BEFORE THE INTERNATIONAL MEETING IN GENEVA ON RESEARCH INVOLVING THE PEACEFUL ATOM.

THE SHOWING OF THE MACHINERY ITSELF AND THE PART OF THE BIG INSTALLATION DEVOTED TO THERMONUCLEAR POWER WAS A FURTHER STEP IN THE RELAXATION OF THE PROLONGED SECRECY.

OTHER PARTS OF THE BIG LABORATORY, WHICH IS OPERATED FOR THE ATOMIC ENERGY COMMISSION BY THE UNIVERSITY OF CALIFORNIA, CONTINUED UNDER THE RESTRICTIONS. PART OF THE WORK AT THE LIVERMORE INSTALLATION IS IN THE WEAPONS FIELD.

THE METAL RING IS THE DREAM OF DR. STIRLING A. COLGATE, DR. RICHARD F. POST AND OTHERS OF THE LABORATORY. IN REALITY IT IS A TUBE ONE INCH LONG AND FOUR FEET WIDE. ITS DIAMETER IS 48 TIMES ITS LENGTH.

THESE QUEER DIMENSIONS CAUSED A LOT OF CONFUSION, DR. COLGATE SAID, BECAUSE TUBES ARE SUPPOSED TO BE LONGER THAN THEY ARE WIDE. THIS ONE IS THE OTHER WAY BECAUSE THE SCIENTISTS NEED A LARGE BUT VERY SHORT TUBE TO TEST AN UNTRIED METHOD OF STARTING A THERMONUCLEAR REACTION.

TUBES ARE USED AS THE OUTER SHELLS OF CONTAINERS FOR TREMENDOUSLY HOT HYDROGEN ATOMS WHICH ARE SQUEEZED TOGETHER IN AN ATTEMPT TO PRODUCE THEIR FUSION AND THE CONSEQUENT RELEASE OF ENERGY.

UP TO NOW THE TUBES HAVE BEEN LONG AND NARROW. THE HOT ATOMS HAVE BEEN SQUEEZED INTO LONG CYLINDRICAL MASSES AT THE DIAMETRIC CENTERS OF THE TUBES BY MAGNETIC FORCE. USUALLY THE DISTANCE OF THE SQUEEZE IS ONLY A FEW INCHES.

SOME OF THE SCIENTISTS THEORIZED, DR. COLGATE SAID, THAT IF THE SQUEEZE EXTENDED OVER A LONGER DISTANCE THE MASS OF ATOMS WOULD GET MUCH HOTTER AND NEARER TO THE TEMPERATURE WHERE FUSION WOULD OCCUR.

WITH THE ODD-DIMENSION TUBE THE SQUEEZE CAN EXTEND FROM THE INSIDE WALL TO THE CENTER OF THE DIAMETER, OR NEARLY TWO FEET. A LONGER TUBE OF THIS DIAMETER COULD HAVE BEEN MADE BUT IT WOULD HAVE NEEDED MANY TIMES MORE POWER TO PRODUCE THE NECESSARY MAGNETIC FIELD. THE ONE-INCH LONG TUBE WAS THE RESULT. IT IS JUST ENTERING THE TRYOUT PHASE.

THE ROOMFUL OF SHEETS IS THE POWER UNIT FOR THE LABORATORY'S MOST FORMIDABLE EXPERIMENTAL INSTRUMENT. IT IS A HUGE ELECTRICAL CONDENSER WHICH PICKS UP AND STORES JUICE FROM ORDINARY POWER LINES, THEN DELIVERS IT IN ONE SUNDAY PUNCH LASTING LESS THAN A MILLIONTH OF A SECOND.

THIS CHARGE FIRED INTO A VACUUM TUBE THREE FEET IN DIAMETER AND 20 FEET LONG PRODUCES A BURST OF ELECTRONS TRAVELING AT NEARLY THE SPEED OF LIGHT AND HAVING A TEMPERATURE APPROACHING 10 BILLION DEGREES.

THESE ELECTRONS WILL TRAVEL IN CORKSCREW PATHS ALONG MAGNETIC LINES OF FORCE INSIDE THE TUBE. THE MAGNETIC LINES RUN LENGTHWISE OF THE TUBE. THE CORKSCREWING ELECTRONS WILL PRODUCE A SECOND MAGNETIC FIELD IN THE TUBE AND ALSO GIVE UP A LITTLE OF THEIR GREAT FORCE TO HEAT THE HYDROGEN ATOMS. THE TWO MAGNETIC FIELDS THEN WILL SQUEEZE THE MASS OF HYDROGEN ATOMS, FURTHER INCREASING THEIR TEMPERATURE. HYDROGEN ATOMS WITH TEMPERATURES OF 100 MILLION DEGREES OR MORE IS THE GOAL.

THE MACHINE TO DO THIS IS CALLED AN ASTRON. IT IS THE BRAIN CHILD OF DR. NICHOLAS CHRISTOFILOS, WHO HOPES TO START TESTS IN A LITTLE MORE THAN A YEAR FROM NOW. PERHAPS IN FIVE YEARS, HE SAID, HE WILL KNOW WHETHER THE ASTRON WILL WORK. IF IT DOES, THEN OTHER YEARS WILL BE NEEDED TO BUILD A MACHINE THAT WILL PRODUCE REAL POWER, HE SAID. IF THE THING WORKS, A MACHINE WITH A TUBE FIVE FEET IN DIAMETER AND 100 FEET LONG WILL BE ABLE TO PRODUCE A HALF MILLION KILOWATTS, HE ADDED.

A MACHINE SHOWN BY DR. POST IS CALLED A MAGNETIC MIRROR. IT USES ONE MAGNET TO FORCE THE HOT ATOMS INTO A LONG, CYLINDRICAL SHAPE AT THE DIAMETRIC CENTER OF THE TUBE AND A MAGNET AT EACH END OF THE TUBE.

THE END MAGNETS ACT LIKE PISTONS DRIVING INWARD FROM EACH END, FURTHER SQUEEZING AND HEATING THE ALREADY HOT ATOMS.

JS732PPS NM

A115FX (ADV)

(ADVANCE FOR MORNING PAPERS OF MONDAY NOV. 3)

ROCKY SHOALS (450)

BY P.D. ELDRED

(ADVANCE) MONTEREY, CALIF., NOV. 2 (AP)--THEY'RE GOING TO TRY TO FIND OUT THIS WEEK WHETHER THE ARMY'S ULTRA-MODERN "PENTOMIC" BATTLE GROUPS CAN SUCCESSFULLY ASSAULT BEACHES DEFENDED WITH ATOMIC WEAPONS.

IN THE FIRST ACTUAL AMPHIBIOUS ASSAULT TEST OF AMERICAN FORCES ORGANIZED TO FIGHT AND WIN IN ATOMIC WARFARE, EXERCISE ROCKY SHOALS (CAP R, S) IS DESIGNED TO LAND ABOUT 13,000 COMBAT TROOPS ON SAN SIMEON AREA BEACHES OF CENTRAL CALIFORNIA EARLY WEDNESDAY. TWELVE THOUSAND NAVY PERSONNEL SUPPORT THE OPERATION.

ROCKY SHOALS, A JOINT ARMY-NAVY MANEUVER SUPPORTED BY THE U.S. 1ST FLEET AND 40 WARSHIPS, WILL BE THE BIGGEST COMBINED AMPHIBIOUS OPERATION SINCE THE INCHON LANDINGS IN THE KOREAN WAR IN 1950.

THE EXERCISE WILL BE THE FIRST IN WHICH ASSAULT TROOPS WILL BE LANDED BY HELICOPTERS FROM A CARRIER OFF THE COAST, TO SEIZE VITAL ENEMY POSITIONS NEAR THE LANDING BEACHES.

THE AMPHIBIOUS TASK FORCE, WHICH IN ADDITION TO TWO BATTLE GROUPS FROM THE 4TH INFANTRY DIVISION INCLUDES SUPPORT TROOPS--QUARTERMASTER, SIGNAL, ENGINEER, MEDICAL, ETC.--BROUGHT IN FROM 19 ARMY INSTALLATIONS ACROSS THE COUNTRY, WAS DUE OFF MONTEREY BAY SUNDAY NIGHT.

MONDAY MORNING THE FLEET WILL ANCHOR OFF MONTEREY FOR LANDING REHEARSALS ON BEACHES AT FORT ORD. THESE ARE TO MAKE A LAST MINUTE CHECK ON TIMING OF THE OPERATION--TO COORDINATE THE SUPPORTING FIRE OF VICE ADM. R.E. LIBBY'S WARSHIPS WITH LANDING CRAFT HITTING THE BEACHES.

IN THE WAR GAMES WEDNESDAY MORNING, ASSAULT TROOPS WILL HIT ONE BEACH AT SAN SIMEON AND TWO A FEW MILES TO THE NORTH. AN ALTERNATE BEACH JUST SOUTH OF THE TOWN ALSO MAY BE USED DEPENDING ON SURF AND TACTICAL CONDITIONS. LT. GEN. CHARLES D. PALMER, 6TH ARMY COMMANDER, IS THE OVERALL MANEUVER DIRECTOR.

ROCKY SHOALS ASSUMES AN ENEMY POWER HAS INVADDED THE UNITED STATES FROM MEXICO, OCCUPIED THE SOUTHWESTERN STATES AND ADVANCED ALONG THE PACIFIC COAST WEST OF THE ROCKIES AS FAR AS THE COLUMBIA RIVER.

THE PROBLEM IS TO LAND IN CENTRAL CALIFORNIA, DRIVE INLAND ACROSS HUNTER LIGGETT MILITARY RESERVATION TO CAMP ROBERTS AND CUT ENEMY SUPPLY AND COMMUNICATIONS LINES, PINCHING OFF "AGGRESSOR" TROOPS TO THE NORTH.

"AGGRESSOR" TROOPS DEFENDING THE BEACHES WILL BE ARMED WITH ATOMIC WEAPONS, THEREBY MAKING IT POSSIBLE TO PUT THE ARMY'S "PENTOMIC" BATTLE GROUPS TO THE TEST. THE AIR FORCE IS PROVIDING TACTICAL SUPPORT FOR "AGGRESSOR."

30.24. 5107

THE WHOLE OPERATION WILL BE EVALUATED ON WHETHER ASSAULT FORCES DEMONSTRATE THEIR ABILITY TO DISPERSE WIDELY ENOUGH AND MOVE FAST ENOUGH INLAND TO SUCCESSFULLY GET BY THE ATOMIC BLASTS "AGGRESSOR" CAN EMPLOY IN AN EFFORT TO SMASH THE LANDINGS.

WHEN THE ARMY ABANDONED ITS WORLD WAR II-TYPE DIVISIONS AND REPLACED THE THREE REGIMENT ORGANIZATION WITH DIVISIONS BUILT AROUND FIVE SMALL MOBILE BATTLE GROUPS THE WHOLE PURPOSE WAS TO FIGHT AND LIVE IN ATOMIC CONFLICT.

THE FIRST HELICOPTER ASSAULT CARRIER EVER TO BECOME OPERATIONAL IN ANY NAVY, THE CONVERTED BABY FLATTOP THETIS BAY, IS PLAYING A VITAL PART IN THE EXERCISE, LANDING SMALL UNITS BEHIND BEACH DEFENSES TO FACILITATE THE LANDINGS.

AMS COLOMBO (520)

BY SPENCER DAVIS

SEATTLE, NOV. 2--(AP)--OFFICIALS ATTENDING THE COLOMBO PLAN CONFERENCE SAID TODAY THEY ANTICIPATE PRESIDENT EISENHOWER WILL KEEP CLEAR OF ANY DISCUSSION OF U.S.-CHINA POLICY WHEN HE ADDRESSES THE 18-NATION MEETING HERE ONE WEEK FROM TOMORROW.

INSTEAD, DELEGATES REPRESENTING 650,000,000 PEOPLE IN SOUTH AND SOUTHEAST ASIA EXPECT TO HEAR EISENHOWER UNFOLD U.S. AIMS TOWARD STRUGGLING NATIONS IN THE UNDERDEVELOPED AREAS OF THE WORLD.

DEFINITE ASSURANCES THAT THE PRESIDENT WILL FLY TO SEATTLE TO OPEN THE MINISTERIAL MEETING OF THE 10TH COLOMBO CONFERENCE TOUCHED OFF A FLURRY OF WEEKEND PREPARATION.

A COMMITTEE HEADED BY INDIA, DRAFTING FINAL REPORTS ON ECONOMIC CONDITIONS IN A DOZEN SOUTH AND SOUTHEAST ASIAN NATIONS, HELD AN UNPRECEDENTED SATURDAY NIGHT SESSION.

OTHER GROUPS SPURRED THEIR WORK TODAY DESPITE EXCURSIONS AND SUNDAY SIGHTSEEING TRIPS PLANNED FOR THE DELEGATES.

THE LEADER OF ONE OF THE KEY DELEGATIONS HERE SAID IT IS NOT EXPECTED THAT EISENHOWER WILL TALK ABOUT QUEMOY AND MATSU TO A GROUP WHOSE FEELINGS ON THE COMMUNIST CHINA RECOGNITION ISSUE IS SHARPLY DIVIDED.

AMONG THE 18 NATIONS AND THREE COLONIAL GOVERNMENTS REPRESENTED HERE, NINE, INCLUDING THE UNITED STATES, DO NOT RECOGNIZE COMMUNIST CHINA. EIGHT OTHERS HEADED BY BRITAIN HAVE DIPLOMATIC RELATIONS WITH PEIPING. ONE OTHER COUNTRY, MALAYA, DOES NOT RECOGNIZE EITHER NATIONALIST OR COMMUNIST CHINA.

LARGELY FOR THIS REASON, THE DELEGATES HAVE AVOIDED ANY POLITICAL ISSUES IN STUDYING THE COMMON PROBLEMS WHICH BESET SOUTH AND SOUTHEAST ASIA.

EISENHOWER TOUCHED BRIEFLY ON U.S. INTENTIONS TO HELP STRENGTHEN REGIONAL GROUPINGS SUCH AS THE COLOMBO PLAN AND THE ORGANIZATION OF AMERICAN STATES WHEN HE ADDRESSED A SPECIAL MEETING OF THE U.N. GENERAL ASSEMBLY LAST AUGUST ON THE MIDDLE EAST CRISIS.

INFORMED SOURCES ANTICIPATE THAT THE PRESIDENT WILL HAVE MORE TO SAY ON THE INTERNATIONAL DEVELOPMENT ASSOCIATION, WHICH THE UNITED STATES IS PROPOSING TO ACT AS A SECOND WORLD BANK.

SECRETARY OF STATE DULLES ALSO HAS STRESSED EIGHT POINTS WHICH THE UNITED STATES WILL FOLLOW IN HELPING OTHER NATIONS SPEED THEIR ECONOMIC DEVELOPMENT. DULLES IS DUE TO PRESIDE HERE AT THE FINAL MINISTERIAL MEETING OF THE COLOMBO PLAN CONSULTATIVE COMMITTEE, WHICH BRINGS THIS MONTH-LONG CONFERENCE TO A CLIMAX.

AT THE UNITED NATIONS IN SEPTEMBER, DULLES SAID THE UNITED STATES BELIEVES IT IS TIME FOR THE FREE WORLD NATIONS TO TAKE STOCK OF THEIR ACCOMPLISHMENTS THUS FAR AND CHART NEW COURSES FOR COOPERATIVE ACTION. HE OUTLINED THE FOLLOWING MAJOR STEPS WHICH THE UNITED STATES WILL SUPPORT IN THE COMING YEAR, SUBJECT TO APPROPRIATE ACTION BY CONGRESS. THEY WERE:

1. CONTINUED U.S. DEVELOPMENT FINANCING ON A VIGOROUS BASIS.
2. INCREASED EFFORTS TO EMPHASIZE PRIVATE INVESTMENT FOR ECONOMIC DEVELOPMENT.
3. COOPERATION IN REGIONAL DEVELOPMENT PROGRAMS WHERE THIS IS DESIRED BY OTHER COUNTRIES.
4. INCREASED CAPITAL FOR THE WORLD BANK AND INTERNATIONAL MONETARY FUND. THE U.S. PROPOSAL FOR THIS WAS MADE AT A NEW DELHI MEETING OF THE DIRECTORS OF THE TWO INTERNATIONAL LENDING INSTITUTIONS EARLIER THIS MONTH.
5. CREATION OF AN INTERNATIONAL DEVELOPMENT ASSOCIATION AS AN AFFILIATE OF THE WORLD BANK.
6. VIGOROUS SUPPORT FOR TECHNICAL ASSISTANCE.
7. ENLISTING THE HELP OF U.S. UNIVERSITIES AND SCIENTIFIC INSTITUTIONS FOR SCIENTIFIC BREAK-THROUGHS ON PROBLEMS AFFECTING THE LESS DEVELOPED COUNTRIES.
8. MORE FUNDS FOR HEALTH PROGRAMS.

PRESIDENT EISENHOWER'S TALK IS EXPECTED TO FOLLOW ALONG THESE LINES, INFORMANTS SAID.
